**PETITION TO WITHDRAW HOLDING OF ABANDONMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In response to the Notice of Abandonment mailed June 16, 2008, the Petitioner, through undersigned counsel, respectfully petitions for withdrawal of the holding of abandonment, on the ground that the Notice of Allowance was not received at the correspondence address of record.

**Statement of Facts**

1. Before the Notice of Abandonment, the last correspondence received from the Office in the above-captioned application was the Notice of Panel Decision from Pre-Appeal Brief Review mailed November 19, 2007.
2. The file jacket, application contents, and docketing records of the above-captioned application have been thoroughly searched, and the Notice of Allowance has not been located.
3. When correspondence from the Office is received, it is sent to the firm's docketing department, which docketes the correspondence by application number, attorney docket

number, nature of the paper, mailing date, receipt date, and due date. It is then sent to the file room to be logged and matched with the file.

4. Exhibit A hereto is a copy of the office-wide docketing report for patent matters having a due date of May 21, 2008. Exhibit B hereto is a copy of the docketing report for the working attorney to whom the above-captioned application has been assigned, for patent matters assigned to him and having a due date of May 21, 2008. Exhibit C hereto is a copy of a reminder e-mail sent to the Intellectual Property and Technology Practice Group, listing urgent due dates falling on May 21, 2008.

5. If the Notice of Allowance had been received and docketed, it would have appeared on one of Exhibits A-C. However, it does not.

6. Exhibit D is a screen shot of the docketing record for the above-captioned application. Under "Remarks" in the lower left hand corner, the papers in the application are listed in chronological order. The last two entries are the Notice of Panel Decision from Pre-Appeal Brief Review mailed November 19, 2007, and the Notice of Abandonment mailed June 16, 2008.

7. If the Notice of Allowance had been received and docketed, it would have appeared in Exhibit D between the Notice of Panel Decision and the Notice of Abandonment. However, it does not.

8. Exhibits E-J are daily correspondence file retrieval sheets for the period between the mailing date given for the Notice of Allowance and eight days thereafter, namely February 29, 2008. Each file retrieval sheet lists the matters in order by attorney docket number.

9. If the Notice of Allowance had been received, it would presumably have taken less than a week to arrive and would therefore have appeared in one of Exhibits E-J. However, it does not.

**Discussion**

The Petitioner respectfully submits that the above facts show, to the specificity required by MPEP § 711.03(c), that the Office Action was not received at the correspondence address of record.

**Relief requested**

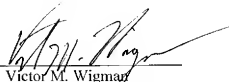

In light of the above, the Petitioner respectfully requests that the holding of abandonment withdrawn and that the Notice of Allowance and all of its attachments be remailed with a new mailing date and due date. Notice that such relief has been granted is earnestly solicited.

The Petitioner respectfully submits that no fee is due for this Petition. However, the Commissioner is authorized to charge any shortage of fees or credit any overpayment thereof to BLANK ROME LLP, Deposit Account No. 23-2185 (117622-00105).

Respectfully submitted,
